

My Provider Locator Mobile App

Did you know?

Magellan has created an App for Apple products including the iPhone® and iPad®. This app can immediately locate a provider in your area that is part of our network. The My Provider App can be found on the iTunes store and is available to anyone free!

This app allows you to search for a provider based on:

- Zip code
- Distance
- Specialty (eating disorder, grief/bereavement, marriage/family therapy, medications management, mental health, substance abuse)
- Age Treated (Younger child – Older adult)
- Ethnicity
- Language spoken
- Provider gender

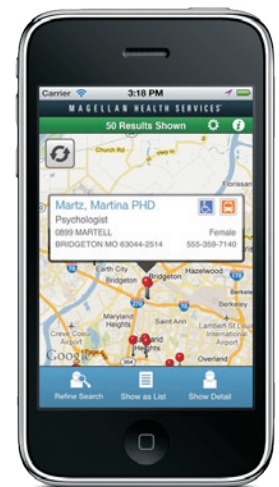

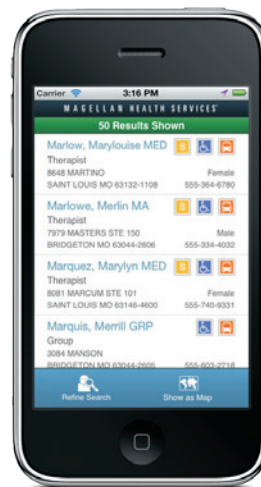

Step 1:
Search "My Provider
Locator" in the App store

Step 2:
Set your provider criteria
and begin search

Step 3:
Show providers based on
a list or a map
